**Dear Friends and Co-laborers in Missions,**

As we join together again in prayer and praise for our brothers and sisters in Pakistan, we rejoice to see our Lord Jesus working among *them* as He once did in *Jerusalem*. In Acts 2:47 we read that *then* Christ's sheep were . . . *praising God and having favor with all the people. And the Lord added to the church daily those who were being saved.* Simon Kistemaker, commenting on this wrote: "The first phrase relates to God and the other to the people. . . What a testimony to true Christianity! These Christians live a life of praise to God and as a result are praised by the people. They demonstrate the power of the gospel and the presence of the Spirit. Thus they are living witnesses for Christ. Here the missionary church is at work, for the people noticing the Christian conduct of the converts speak in favor of the church and are drawn to Christ. . . the Lord Jesus continues his work of extending the Christian community. . . effects conversions, and adds them as believers to the church. Luke portrays the converts as "those who were being saved." That is, the Lord is the agent in the work of saving his people, for he fulfills Joel's prophecy: "Everyone who calls on the name of the Lord will be saved" (Joel 2:32). The phrase (those who were being saved) does not imply a gradual salvation of the individual believer but rather indicates that the miracle of salvation occurs daily. Today also the Lord continues to add to his church and calls people to be spiritual citizens of the city called Zion. With John Newton, the believer humbly yet triumphantly sings, Saviour, if of Zion's city I, through grace, a member am, Let the world deride or pity, I will glory in thy Name."

**PRAISING OUR SAVIOR FOR MAKING DISCIPLES AROUND LAHORE**

- We thank the Lord that school has resumed and Bibles are being distributed to students and others at all four Calvin's Academies!
- Praise God that the following topics were taught at the two camps recently: "Who The Lord Jesus Christ Is And What He has Done.", "How The Modern Era Christians Have Victories For The Praise Of God", "Ten Commandments, and the Fourth Commandment", and "The Lord's Supper".
- Thank God with us that on August 10, 350-450 people from all denominations came for the Bible Study at the Muridke Calvin's Academy compound.
- Praise the Lord with us that 70 percent of the BBLCC congregations have been discipled via Bible studies.
- We thank our Lord and Savior that though rains stopped construction temporarily, funds *have* come in to work on building the first classroom at CA2, Wandala Dial Shah.

### **PRAYING FOR REGNERATION AND SPIRITUAL GROWTH**

- Please ask our Lord to give to many Muslims understanding of the true God and His covenant of grace in the lives of the patriarchs, through the reading of Genesis over the loudspeaker.
- Pray with us that those who have been treated at our Clinics in Asif Town 2 and Muridke will be healed spiritually.
- Please join us in praying for more Seminary students, as only three remain who have not graduated.
- Please ask our Heavenly Father to provide so that planned Conventions may be held October 24-29, expecting about 6500 attendees at Muridke, Wandala Dial Shah, Asif 2 near Lahore, and at Faisal Abad where 7 congregations plan on participating!
- Please continue to pray that Rev. and Mrs. Sardar Din may come to the USA after October Conventions to promote the work of WBM, Lahore, Islamabad and Faisalabad.
