Village #174 Church
Decorated for Christmas

PAKISTAN VILLAGE MINISTRY

DECEMBER 2017

Dear friends and partners in the missions,

Greetings in the most wonderful name of our Lord and Savior Jesus Christ. At the end of 2017 we are thanking and praising God first, for His mercies and care throughout the year to continue. We are thankful to our partners for their prayers and generous support throughout the year.

Just a week before Christmas there was a suicide bomb attack on a Methodist Church in the town of Quetta in southwestern Pakistan. Nine people were killed and more than 35 were injured. Even though there was great fear of further attacks during Christmas, churches were filled during Christmas day services! Christians in Pakistan always have special services on Christmas day.

We thank God for the safety and care of His people during the Christmas Services. The congregations at villages #174, # 12 and #31 all had Christmas services. Gifts were distributed to Sunday school children during the service.

Preaching of the gospel during Christmas services at Villages #31 and # 12 (gifts distributed to Sunday school)

We are rejoicing that our partners and friends continue to pray for and generously support this ministry. The annual Christmas program was also held at David Memorial School on December 20th. Parents of the children in the program and village leaders were also invited. Students performed songs and poems. Gifts were distributed to all the students.

Students performing at Christmas program

All students received gifts

Rebuilding of the church and the parsonage in Village #12 has started. We hope to be finished at the beginning of this new year. ***More funds will be needed to complete this project.***

Construction of the parsonage and church building at Village #12

We appreciate all our partners, and give thanks for you, since your prayers and contributions have made it possible for us to continue proclamation of the gospel, and educating children in these villages.

May the Lord bless you and your families.
